FINDINGS OF FACT

Procedural:

1. Applicant. The applicants are Ed and Cindy Stewart

2. Hearing. A hearing was held on the application on March 19, 2015 at 10:00 am at Key Bank, Friday Harbor.

Substantive:

3. Site and Proposal Description. The applicant proposes the vacation rental of a one bedroom single family home located at 83 Garrison Drive, San Juan Island. On-site parking is available for at least two automobiles. No outdoor advertising or food service is proposed. There is no accessory dwelling unit ("ADU") on site.

4. Characteristics of the Area. The surrounding neighborhood is rural residential in nature.

5. Adverse Impacts of Proposed Use. There are no adverse impacts resulting from the proposed use. As conditioned, the proposed use should not interfere with the residential use of neighboring properties. Noise must be kept to a minimum and a 24-hour phone number must be provided in case problems arise. Since no exterior alterations are proposed and no change in use, the proposal is not incompatible with any airport activity.

CONCLUSIONS OF LAW

Procedural:

1. Authority of Hearing Examiner. The hearing examiner is authorized to conduct hearings and issue final decisions on conditional use permit applications. San Juan County Code ("SJCC") 18.80.020 Table 8.1; 18.80.100(C).

Substantive:

2. Zoning Designations. Rural Residential

3. Permit Review Criteria. Table 3.2, SJCC 18.30.040 authorizes vacation rentals in the rural residential district as a conditional use. SJCC 18.80.100(D) governs conditional use criteria. SJCC 18.80.100(D)(8) requires compliance with the performance standards of Chapter 18.40 SJCC. SJCC 18.40.270 contains detailed standards for vacation rentals. The criteria for conditional use permits (SJCC 18.80.100(D)) and vacation rentals (SJCC 18.40.270) are quoted below and applied through corresponding conclusions of law.

Vacation Rentals of Residences Criteria

SJCC 18.40.270(A): *No more than three guests per bedroom shall be accommodated at any one time.*

4. The project is conditioned to limit the total number of guests to three per bedroom.

SJCC 18.40.270(B): *The vacation rental of a principal residence or accessory dwelling unit shall be operated in a way that will prevent unreasonable disturbances to area residents.*

5. The conditions of approval of the permit have been imposed to prevent any unreasonable disturbances. These conditions limit the number of guests; require posting of rules of conduct which specifically mention prohibition of trespassing and identifying property lines; require provision of a 24-hour contact phone number to neighbors in case problems may arise; and require maintenance of a written log of complaints.

SJCC 18.40.270(C): *At least one additional off-street parking space shall be*

provided for the vacation rental use in addition to the parking required for the residence or accessory dwelling unit.

6. The SJCC contains no specific parking requirements for single-family homes in the Rural Residential district. Two parking spaces is adequate to serve the needs of the proposed use and is consistent with the amount of parking required in past vacation rental decisions.

SJCC 18.40.270(D): *If any food service is to be provided the requirements for a bed and breakfast residence must be met.*

7. No food service is proposed in the application.

SJCC 18.40.270(E): *No outdoor advertising signs are allowed.*

8. No outdoor advertising is proposed.

SJCC 18.40.270(F): *The owner or a long-term lessee may rent either the principal residence or the accessory dwelling unit on a short-term basis (vacation rental), but not both.*

9. There is no accessory dwelling unit.

SJCC 18.40.270(G): *Where there are both a principal residence and an accessory dwelling unit, the owner or long-term lessee must reside on the premises, or one of the living units must remain unrented.*

10. There is no accessory dwelling unit.

SJCC 18.40.270(H): *In all activity center land use districts, rural residential, and conservancy land use districts, the vacation rental of a residence or accessory dwelling unit may be allowed by provisional ("Prov") permit only if the owner or lessee demonstrates that the residence or accessory dwelling unit in question was used for vacation rental on or before June 1, 1997. When internal land use district boundaries are adopted for an activity center, this provision will apply to VR and HR districts but not to the activity center in general.*

11. Not applicable because the proposal is the first vacation rental of the premises.

SJCC 18.40.270(I): *Vacation rental accommodations must meet all local and state regulations, including those pertaining to business licenses and taxes.*

12. This will be required as a condition of approval.

SJCC 18.40.270(J): *Owners of vacation rentals must file with the administrator a 24-hour contact phone number.*

13. This will be required as a condition of approval.

SJCC 18.40.270(K): *The owner or lessee of the vacation rental shall provide notice to the tenants regarding rules of conduct and their responsibility not to trespass on private property or to create disturbances. If there is an easement that provides access to the shoreline, this shall be indicated on a map or the easement shall be marked; if there is no access, this shall be indicated together with a warning not to trespass.*

14. This will be required as a condition of approval.

SJCC 18.40.270(L): *Detached accessory dwelling units established under SJCC 18.40.240 cannot be separately leased or rented for less than 30 days.*

15. There is no accessory dwelling unit on the property.

Conditional Use Permits – Criteria for Approval

SJCC 18.80.100(D)(1): *The proposed use will not be contrary to the intent or purposes and regulations of this code or the Comprehensive Plan;*

16. The proposal is consistent with the SJCC for the reasons stated above. The proposal is consistent with the San Juan County Comprehensive Plan, which provides that vacation rentals should be classified as residential uses and subject to standards similar to those that apply to hospitality commercial establishments. See Land Use Element, Section 2.2A(10). The detailed standards adopted into the SJCC for vacation rentals provide protections to residential uses that are more detailed than those typically associated with hospitality establishments located in residential areas.

SJCC 18.80.100(D)(2): *The proposal is appropriate in design, character and appearance with the goals and policies for the land use designation in which the proposed use is located;*

17. The proposal will not alter the exterior appearance of the home, which is a single family home and is thus compatible and appropriate in design, character and appearance with the surrounding single family homes and applicable goals and policies thereto. The criterion is satisfied.

SJCC 18.80.100(D)(3): *The proposed use will not cause significant adverse impacts on the human or natural environments that cannot be mitigated by conditions of approval;*

18. Mitigation measures for vacation rental impacts, such as noise and trespassing, have been added as conditions of approval. Therefore, the use, as conditioned, should not cause significant or unreasonable adverse impacts on neighbors or surrounding environment.

SJCC 18.80.100(D)(4): *The cumulative impact of additional requests for like actions (the total of the conditional uses over time or space) will not produce significant adverse effects to the environment that cannot be mitigated by conditions of approval;*

19. The property will continue to appear and function in a manner similar to the existing use with no significant adverse impacts, and further similar requests will not produce significant adverse impacts to the environment.

SJCC 18.80.100(D)(5): *The proposal will be served by adequate facilities including access, fire protection, water, stormwater control, and sewage disposal facilities;*

20. The proposal is in an existing development and according to staff has been shown to meet these requirements.

SJCC 18.80.100(D)(6): *The location, size, and height of buildings, structures, walls and fences, and screening vegetation associated with the proposed use shall not unreasonably interfere with allowable development or use of neighboring properties;*

21. There will be no alteration to location, size, or any other "outside" feature of the existing property, so no new interference should occur as a result.

SJCC 18.80.100(D)(7): *The pedestrian and vehicular traffic associated with the conditional use will not be hazardous to existing and anticipated traffic in the neighborhood;*

22. According to the staff report, the pedestrian and vehicular traffic associated with the use will not be hazardous to the neighborhood and there is nothing in the record to suggest anything to the contrary. The criterion is satisfied.

SJCC 18.80.100(D)(8): *The proposal complies with the performance standards set forth in Chapter 18.40 SJCC;*

23. As conditioned, and discussed above, the proposal will be in compliance with SJCC 18.40.270.

SJCC 18.80.100(D)(9): *The proposal does not include any use or activity that would result in the siting of an incompatible use adjacent to an airport or airfield (RCW 36.70.547); and*

24. Since no exterior alterations or changes in use are proposed, the proposal does not create any compatibility problems with any airport or airfield.

SJCC 18.80.100(D)(10): *The proposal conforms to the development standards in Chapter 18.60 SJCC.*

25. As an existing development site, the proposal is consistent with Chapter 18.60 SJCC.

DECISION

The application is approved as conditioned below. As conditioned below, the proposal is consistent with all the criteria for a conditional use permit:

1. The vacation rental shall be operated as described in the application materials except as modified by these conditions.

2. A maximum of three guests shall occupy the unit at any one time for rentals of 30 days or less.

3. No food service is to be provided. No outdoor advertising signs are allowed.

4. The rentals must meet all local and state regulations, including those pertaining to business licenses and taxes. Approval of this permit does not authorize the owner to violate private covenants and restrictions.

5. No use of the property shall be made that produces unreasonable vibration, noise, dust, smoke, odor or electrical interference to the detriment of adjoining properties.

6. A 24-hour non-message, non-recording contact number shall be provided to Community Development and Planning Department (CDPD) and to all neighbors within 300 feet of the property along with a copy of this decision. A log of complaints shall be kept and a copy provided to CDPD upon request.

7. Written rules of conduct shall be submitted to CDPD prior to the first rental. Those rules of conduct shall be posted in the house and given to all the neighbors within 300 feet of the property boundary.

8. Upon determination by the Director of CDPD that any condition listed above has been violated, following issuance of a Notice of Violation, the Director may, in addition to other code enforcement remedies, revoke the conditional use permit.
