Thank you for clarifying. I was told that non-resident vacation rentals were not going to be allowed at all and I was shocked due to the nature of vacation rentals and tourism to the San Juan Islands.

Erika Shook,

Why would San Juan County, which relies on tourism ban Vacation Rentals? Seriously? My family will never return to the county if we can't rent a whole home from someone as we have a family, and the limited number of Hotels are far too expensive and not a good fit for our young family.
