## FLOOD RISK OPEN HOUSE: COMMENTS & APPEALS

### COMMENTS

Comments reflect corrections or clarifications pertaining to misspellings, labeling, and/or missing information.

To submit comments:

1. Use the Additional Comments and Notes section and leave with us this evening.
2. Mail your comments to your respective jurisdiction:

San Juan County Department of Community Development  
Linda Kuller, Planning Manager  
P.O. Box 947  
Friday Harbor, WA 98250

3. Email your comments to:

San Juan County Department of Community Development [dcd@sanjuanco.com](mailto:dcd@sanjuanco.com)  
FEMA Region X Regional Service Center [rsc10@starr-team.com](mailto:rsc10@starr-team.com)

### APPEALS

All appeals must include information indicating that the elevations and/or delineations are scientifically and/or technically incorrect. Appeals must be supported with scientific and technical data and mapping demonstrating that alternative methods or applications result in more correct estimates of base flood elevations. To file an appeal, submit a signed letter with the corresponding technical information to your respective jurisdiction and FEMA, if desired, as follows. Your local government will review and submit formally to FEMA.

San Juan County Department of Community Development  
Linda Kuller, Planning Manager  
P.O. Box 947  
Friday Harbor, WA 98250  
[dcd@sanjuanco.com](mailto:dcd@sanjuanco.com)

Comments and appeals are due by the end of the appeal period (exact appeal period timing to be determined but currently estimated to go from May to August 2017). For questions or additional information, please contact the Region X Service Center at [rsc10@starr-team.com](mailto:rsc10@starr-team.com) or 425-329-3679.
