Subject: More propane hearing photos
Attachments: IMG_0013.JPG; ATT00001.txt; IMG_0014.JPG; ATT00002.txt; IMG_0020.JPG; ATT00003.txt; IMG_0021.JPG; ATT00004.txt

Julie, please forward these to Sharon Rice. This is the second group of the 8 she requested. For some reason I can't send more than five at a time so I'm sending in two groups of four.

The photo below shows the residence on the left occupied year round by Amanda Sparks and her 8 year old daughter (black vehicle in front).

The photo below is of my 77 Aeroview hangar (apartment rented by the school band teacher year round) and is 120 feet from the East edge of the propane site. Wayne Munich's home/hangar is behind the tree and is immediately below the site to the East.
