Subject: Make CT's site Conforming!!

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Community Treasures is an incredibly valuable asset to the ordinary people of San Juan Island, and a busy and popular business that benefits our island. Please act to preserve and protect this resource by changing the zoning for CT to make CT's site confirming so actions can be taken to make a CT a permanent facility. This is an important issue.

Sincerely,

~Sara Patten, San Juan Island resident, full-time.
