Hello Cindy,

We were your enthusiastic supporters during the election and are delighted that you are our new council member! I'm writing mainly to let you know that we feel strongly about the vacation rental and overtourism issue. The proliferation of vacation rentals negatively affects our neighborhood (Olga) and undermines our community as a whole. We support an extension of the moratorium (for which we are grateful!) and would ultimately like to see a cap on rentals and an absolute ban on commercial rentals. We very much appreciate your support of this issue. We also want to mention the need for greater transparency and responsiveness in county government more generally. Town meetings might be a good place to start, so that citizens have the opportunity (on each island) to speak directly to their representatives.

Thanks so much for your attention.

Best regards,

Lorna Rhodes
