Subject: Vacation Rental Moratorium

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

The advent of online booking is creating a nightmare for the islands.

The majority of VRs are owned by out of county parties creating an export economy and helping to make the islands unaffordable for families. My adjacent VR is owned by an LLC in Wenatchee and I no longer have a neighbor. It saddens me. Please extend the moratorium to consider options on vacation rental controls.

Gregory Oaksen, Eastsound
