Dear City Council Members,

I am in full support for continuing a moratorium on Vacation Rental permits for as long as needed in San Jaun County. I live in a neighborhood that has been affected negatively by vacation rentals. My family and I are very aware of the need to have adequate time for the community and council members to construct reasonable restrictions before this moratorium is lifted.

Having a moratorium has given us hope that we can find balance in our community.

Respectfully,  
Tiffany Loney
