Subject: Vacation Rental Moratorium

Dear Cindy and fellow SJ Council members,

I am writing to urge the council to adopt a 12-month moratorium on vacation rentals. I have witnessed the negative impact of vacation rentals on the local rental market personally and amongst many fellow community members (particularly low income folks, families, and young workers). I'm also concerned about unsustainable impacts on environmental and infrastructure resources (water, ferries, emergency services, etc.) I believe all these issues were raised by the community working group. Thank you for your work on this matter.

Best--
