Dear council members:

I wanted to write to you to let you know that I fully support a moratorium on vacation rentals in San Juan County. The lack of affordable housing has been a significant problem in the county for years. This has many impacts on our community and I believe it is past time to take a look at how to make this program work for the county while allowing us to maintain some housing sanity.

I appreciate you taking the time to hear my opinion.

Best regards,

Katy Doran
