Dear County Council,

Thank you for your actions of this matter. I would like to add my voice as another who very strongly supports this moratorium. As a long time islander who loves my home, I feel this is a vital step to preserve our community – I know you know all the reasons why, so I shall keep this to that and say yes, please, no more vacation rentals. Save our home, as a home for those who live in and love our home.

Thank you for your consideration,
Anita Orne
