Hello Planning Commission,

I am writing to voice my support of the recommendation to not change the land designation for this parcel. There would have to be a lot of research and changes needed in order for this land designation change to make any sense. The traffic on North Beach Road is already quite busy and adding anywhere near 119 new parcels would make a bad situation worse. This is not to mention the strain it would put on existing infrastructure such as water and sewer.

Thank you for your time,
