San Juan County Planning Department:

Thank you for including our parcel on Lopez TPN 252322003000 Request # 18-0015 for consideration for future development. We are in the Lopez reserve. We surround the Lopez County Shop and Recycling. We have 8.75 acres with one house on this property. Erisman road splits the property with the north 3.75 acres (200 + ft) on Fishermans Bay road empty of buildings. The south side of Erisman drive has our house on the east side and a 200 +ft frontage along Fisherman's Bay rd also. We have tried to split this property for many years to be able to give our family a place to build on Lopez. They have grown up on Lopez and graduated from Lopez Island School. They would love to build on our property on Lopez in the future. The Lopez sewer district runs along our property for future hookups.

Thank you again for this consideration,

Mike and Roxy Webb
