Subject: Proposed MLRO designation for Dolphin Bay Quarry

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

My name is Corinne Houpt. Last November I purchased Parcel 11 (2106 Spring Hill Road) in the Spring Hill Wildlife Sanctuary development adjacent to the Dolphin Bay Quarry. To date I have not received notice of the proposed MLRO designation, but I learned of it through a notice sent to the Spring Hill HOA. From other homeowners who have more knowledge of the operations of the quarry and its impact on their property, I understand that there have been concerns in the past. While I do not fully understand the impact of the proposed change, I wish to be on the record objecting to it in order to preserve my right to appeal, should that become necessary.

Sincerely,

Corinne Houpt
