To Whom,

We, Stan and Karen Mayhew, full time residents, residing at 436 Sunrise Ridge Rd, San Juan Island, want to make it clear we are in favor of extending the moratorium on vacation rentals until all impact studies are completed.

Anyone who goes to our parks, grocery stores or is in town or on our roads knows we have plenty of tourists.

Instead of increasing vacation rentals, it would be sensible to deal with the homeless residing at the fairgrounds and other places on the islands. Or what is being done about the RVs who are here, have no where to set up and no place for pumping out their sewage.

What we do need is affordable housing for the employees of town merchants, not more tourists, etc.

Respectfully yours,
Stan and Karen Mayhew
