Hello,

As a homeowner on Orcas Island, for me the most important thing to work towards is preserving the natural beauty and serenity of the island.

I do rent my cabin. However, I think that limits on rentals would be beneficial to the environment and residents.

A seven day minimum stay requirement for vacation renters seems as though it might be a helpful way to limit the stress of too many visitors at one time to Orcas.

I would also be in favor of other ways to lessen this impact.

Thank you, Barbara Luniuck-Rakita
