To All Interested Parties,

On Behalf of The Spring Hill HOA (SHWSOA), it's board members and property owners, this email is intended to raise and give notice of the SHWSOA's objection to granting the MRLO Designation Request (AKA, the Comprehensive Plan Update referenced by San Juan County) submitted by the Dolphin Bay Quarry and the Mountain Crest. The SHWSOA has received multiple notices of concern from our property owners regarding possible negative impacts to our homes and land in the event the request is granted.

The SHWSOA is also a concerned party as the legal owner and care taker of the many common areas contained within our Spring Hill neighborhood.

Please note the SHWSOA's objection is separate and apart from the objections submitted by individual homeowners.

Thank you,

Lisa Marquette, Board Member
On behalf of SHWSOA
