Thank you for your engagement. Currently there is no set limit on vacation rentals on any ferry served island except Shaw, which decided to ban them when the first Comprehensive Plan was adopted.

Please be sure to let your concerns be heard by the Planning Commission, which will be considering where caps should be set. Also, please let the other two Council members know where you stand. At this point, if we are to get any control over vacation rental permits, it appears caps are what my seat mates will agree to, and they need to hear from you what the right levels are for those caps.

Hi,

We are residents on Lopez Island and we oppose raising the vacation rental cap for Lopez. Please let us know if there is anything else we can do to prevent the increase.

Sincerely,

Justin Reznick & Christine Posavad
