Subject: Capping the Number of Vacation Rentals in San Juan County

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Members of the San Juan County Planning Commission,

I am writing to indicate my full support for limiting the allowed number of Vacation Rentals to the current number that are permitted, active, and compliant on an island-by-island basis. I believe that this is the best alternative for the sustainability of island resources as well as maintaining healthy communities. To further the second goal, I strongly support giving priority for any newly issued VR permits to owners who reside at the covered property. Thank you for your consideration.

Sincerely,
Steve Snowden
