Dear Planning Commissioners,

The following petition was created by the Orcas Island Vacation Rental Working Group with the shared vision and support of the Lopez and San Juan Island communities. All signatures have been gone through and verified as genuine San Juan County residents with the following exceptions: a cluster of 13 fake names was generated during a 15 minute time period (between numbers 399 and 451). Those names were not removed because of the PDF file format but are also not included in our final tally of 575, as of noon, Thursday, October 14th.

Thank you for listening to the voices of San Juan County residents and please take the time to read the heartfelt comments expressed by your neighbors and the community you serve.

Sincerely,

Sorrel North
