Simply put: please put a cap on vacation rentals, at least on Orcas Island, if not on the county as a whole.

I support a cap on vacation rentals in order to maintain a sense of community. All year long the neighboring house has temporary renters coming and going, every 2 or 3 days. We used to have actual permanent neighbors. How does a community maintain its cohesiveness when the neighborhood is merely a set of temporary rentals? The VC's must be capped.

Please.
