Dear County Council members,

I have signed up to make a public comment at the April 5th meeting, but I can only listen into the meeting for 45 minutes, so I may not have the opportunity to speak. I am writing a comment here in case I don't have a chance to make a public comment.

I have attended every one of these meetings about the Vacation Rentals. I feel very strongly that this is an extremely important issue, and I am glad that our County Council is taking it so seriously. Please make the decision to cap Vacation Rentals at the July, 2021 level for 'Active and Compliant' permits.

You have heard all the reasons that Vacation Rentals need to be controlled. You are not depriving current vacation rental owners of anything by placing this cap. It doesn't make any sense to me that those owners continue to urge you to do away with this cap.

We just want to protect our islands from being overrun with vacation rentals. That is essential.

Thank you for listening,
Jan Ehrlichman
