Welcome to San Juan County's Community Health Services Division! We have a variety of programs and services to help promote and protect the health of San Juan County residents and provide support to you and your family. These programs include:

Table with 2 columns listing various health services such as Growing Families San Juan Islands, Newborn Outreach (NBO), First Steps Maternity Support Services (MSS), etc.

Growing Families San Juan Islands (our local universally-offered public health nurse home- and community-visiting services) and First Steps (MSS and ICM) are voluntary and available during your pregnancy and for your infant free of charge.

Our public health nurse home- and community-visiting programs may include or cover the following:

Table with 3 columns listing various health services such as Perinatal Mood Disorders, Safe Sleep for Baby, Shaken Baby Syndrome, etc.

I have been given the opportunity to read the San Juan County "Notice of Privacy Practices." I understand that I can request access to my personal health information located in my electronic medical record and how that information may be used or disclosed.

I agree to the services listed above and understand the San Juan County's privacy practices and exchange of health information with my health care provider:
