Hello dear council,

I vote Yes yes yes, big YES on limiting VR as much as possible in order to save our islands' communities from destruction by tourism and over growth. Not only we are already overburdened on Orcas with tourists, making traffic, pollution, water issues, parking issues unbearable... looking like summer camp crowds taking over, but many of the tourists become residents, crowding our islands beyond capacity, sustainability, and destroying the rural nature of our vision.

So YES please limit the number of permits and tighten the way to avoid VR without permits, and no off island landlords and no passing on the permit with sold property. Should be limited and requiring renewal yearly.

Thank you,
