Dear San Juan County Council,

During the last five years our Sea Acres neighborhood in Olga has been overrun with Air B&B short-term vacation renters with no on-property owner supervision.

Loud weekday late-night parties, unlawful and dangerous dry-summer bonfires, unleashed dogs killing deer and even baby seals on the beach, reckless driving on our narrow entrance roads, as well as trash and dog poop left in our common areas are just some of the changes that have affected our community.

Help!
