Subject: Climate Change element for Comprehensive Plan

You don't often get email from pgarciasji@gmail.com. [Learn why this is important](#)

I am writing in support of the June 6, 2022 letter sent to you by Friends of the San Juans.

Integrating the dispersed Climate Change Elements into one Comprehensive Plan Element makes sense to me, reflecting San Juan County's commitment to prioritizing Climate action.

Thank you for considering this.
