Subject: Comment on Request #16-0003 regarding APN 2711403016000

I am writing in opposition to request #16-0003 to remove the split designation on Assessors parcel number 271143016000. The easternmost portion of this parcel is currently in use for a public garden and as a common public area where people often walk their dogs and relax with their children. It has been so used for at least a decade in my memory — thus effectively establishing a prescriptive easement for such public uses.

Rezoning this parcel to be exclusively Service and Light Industrial would defeat these purposes and uses, thus abrogating any such prescriptive easement. It cannot be allowed.

FYI, I write as Treasurer of the nearby View Haven Estates homeowners association, and am copying our President and Secretary, as well as our County Councilor Cindy Wolf.

Sincerely, Michael Riordan
