RE: 2036 Comprehensive Plan Update public hearing: August 19 specifically for Official Maps

Dear San Juan County Planning Commission:

We are the owners of TPN 363242004000 which is an adjoining parcel to the Egg Lake Quarry, LLC (**ELQ** going forward) location at 65 Gill Ln., TPN 363250021000.

We strongly oppose designation under the Mineral Resource Lands Overlay (MRLO) for all **ELQ** parcels in the proposed Map 2. The owner, **Myron Williams**, does not respect Federal, State, or County laws.

We strongly feel **ELQ** does not meet the criteria for making changes to the Plan Official Maps as established in SJCC 18.90.030(F)(1), in sub-section *a*. *The changes would **benefit** the public health, **safety**, or welfare.*

ELQ annually **had demonstrated safety violations** as governed by the US Federal [Mine Safety and Health Administration](#) (MSHA). The most significant violations occurred during the 2021 inspections with fines amounting to a shy \$11,000 with all delinquent less \$311.

ELQ has repeatedly ignored WA **State** laws on ecology reporting as documented by Jaime and Rex Ellsworth and submitted to CompPlanComments@sanjuanco.com.

ELQ has monthly demonstrated non-compliance to SJI **County code** rules to NOT operate the quarry on the **weekend**. We have personally submitted many noise complaints online to the county (no enforcement). See 18.40.350 Resource-based activities and facilities, surface mining, quarrying, and reclamation, sub-section F. All extraction and reclamation activities that create a noise disturbance must take place between 7:00 a.m. and 7:00 p.m. on **weekdays**.

We thank you in advance for allowing the neighbors of **ELQ** to have the continued protection to file nuisance claims given Myron Williams' lack of respect for the law (federal, state, county) and public safety.

Respectively your SJC Island Citizens,

Rick and Nina

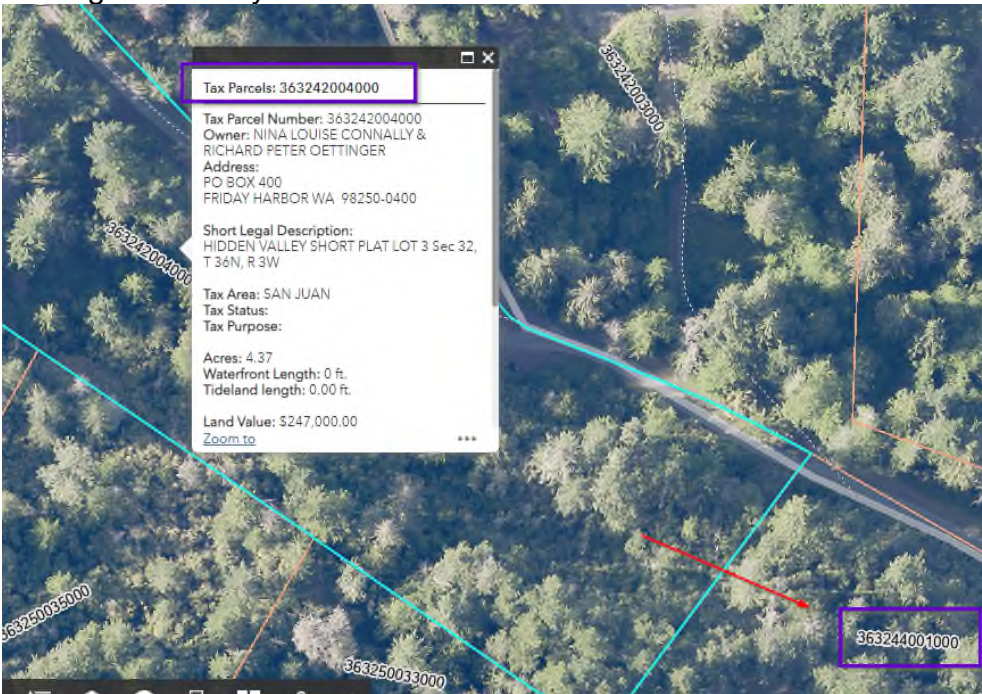

Richard Oettinger and Nina Connally
